

Grant funding for small business

Discover which grants your business could be eligible for.

Grants are a fantastic source of funding for small businesses, providing the opportunity to invest in innovation and growth. However, it's not always easy finding which grants you could be eligible for and you could miss out on vital funding, with many grant applications being time sensitive.

We are here to support you on your search for grants and can even help with your application process too, with our support options:

Bespoke Report

We get to know your business
& funding plans.
We search through over 4000 grants,
to find the ones which matter to you.

Quarterly Report

Availability of grants change frequently
& are often time sensitive.
We keep you up-to-date with the grants
that could benefit you, searching through
over 4000 every quarter.

Application Support

You've found a grant that you want to
apply for & now need to prepare your
application. Whether you don't have the
experience, the time or simply would prefer
an experienced team to apply for your
funding, we can support your application.

If you know your business would benefit from a grant, but you don't know where to start - contact our team today.

We can help by searching over 4000 grants & provide a report on the ones which could benefit you.
